Call 612.607.5700 for all your paper supplies, paper converting, packaging equipment & eco-friendly products.

About Us -- Litin Paper Company is proud of our family-owned values. While many companies suffer from employee turnover today, we've been successful maintaining our key employees. We find Litin's experienced staff provides a consistency to managing inventories, selling product, providing customer service, and equipment to our clients. Litin clients can rely on our dependability to meet their needs.

What you want—when you need it.

Our Mission – Litin Paper Company's mission is to provide paper products, converting, equipment and services to our clients representing any and all businesses in the Midwest area. We are committed to our customer' focus of high quality products, on-time delivery, competitive pricing, and personal service.

Customer focus is #1.

Our Philosophy – Litin Paper Company believes that our personal service and attention to our clients' needs will continue to maintain our business and win over new Litin clients. While constant with our day-to-day business, we keep an innovative eye on the horizon for new opportunities that cultivate our own continuous improvement and future growth.

Personal service makes the difference.
